## PROCEDURE OF LETTER WRITING VIA THE VOM PRISONER ALERT WEBSITE

For important instructions regarding letter writing please select **WRITING TO PRISONERS** from the Prisoner Alert home page.

**Do not proceed without first reading these important guidelines.**

1. Go to [www.persecution.co.za](http://www.persecution.co.za) and select the **GET INVOLVED** tab at top of the page
2. Under **Letter Writing**, select [Letter Writing](#) which will open the Prisoner Alert home page.
3. Select the **Prisoners** tab then select either a prisoner from the **All Prisoners** list or select **View by Country** then select a Prisoner from that country.
4. On the left, select the **WRITE A LETTER**.
5. On the next page you can select a single or multiple verses and/or phrases. Press the **DOWN ARROW** in the **Choose a phrase from this list** window. Select which one you want, then press **ADD PHRASE**. If you want to add more, repeat this procedure. When you have selected all that you want, select **CONTINUE**.
6. The next page shows you your letter and tells how to print and then gives the address. Please note that the postal tariffs are for the USA. Foreign postage tariff from South Africa at present is R6.60 for a standard letter less than 50 grams.
7. Select your print option, print your letter and print or write the postal address provided on to an airmail envelope.
8. If your printer does not accept the foreign language characters, cut and paste the text to MS Word and then print.
9. Insert your personalised letter into the addressed airmail envelope and take it to your local post office who will advise you of the postage cost.

**Please do not send your letter to the Mission office, post it to the given address for the recipient.**

Thank you for caring enough to write to a prisoner for Christ and sharing in their suffering.
